Subject: Kirstin Brown wants to share "Upper Animas DMG Reports" with you

Kirstin (kirstin.brown@state.co.us) invited you to a Dropbox shared folder called "Upper Animas DMG Reports" and left you this message:

"DRMS had the Upper Animas Reclamation Feasibility Reports scanned, this is the four volume DMG report on Cement, Mineral, Animas above Eureka, Animas below Eureka from the late 1990's, early 2000's. You can download it from dropbox."
